

Silver Tree Group Syndicate

YOU ARE INVITED!

As a special supporter of Becky Holder, you have been included as one of the first people approached to join the Silver Tree Group Syndicate. This elite group of ten are joint owners of Telperion, Becky's future 4* horse. You have a true understanding of how campaigning an event horse through the upper levels has become too expensive for most professional riders to do, especially for a string of horses. Of course, this is exactly what riders need to accomplish in order to remain at the top of the eventing sport and to stay eligible for the US Eventing Team.

Event horse syndicate ownership has become the means by which professional riders like Becky can continue to develop young horses and campaign upper level mounts. This ownership group not only owns a real fraction of the horse, they are entitled to attend the owner's special events at event venues, meeting other owners and riders at places like Rolex. As an owner, you have complete access to Telperion at any event or at Becky's training facilities. You also have the true satisfaction in supporting the US Eventing Team to continue to put the best riders in world competitions.

The Silver Tree Group is a wonderful collection of the very best of people keenly interested in the future of eventing, and of Becky's role in that future. Please take a minute to review the materials attached, and feel free to contact me, Lisa Borgia, or Becky Holder to discuss how you can become a part of this group.

Thank you for your interest and time. We look forward to hearing from you soon!

Sincerely,

Lisa Borgia, Manager Silver Tree Group
